Welcome to Asia University (AU) in Taichung city, Taiwan. AU is one of the world's premier institutions. This Creative and Cultural Industry summer program provides you with a superb opportunity to grow as a scholar and an individual. This summer program is designed to challenge you academically and to increase your cultural and social abilities. By attending this summer program, you are guaranteed to have a truly rewarding learning experience.

About the Program

Summer is the time to know new places, make new friends, tackle new challenges, and discover something new about yourself. Asia University provides just what you need and we offer ways to reinvent yourself as a designer. This two-week intensive online course is made up of online instruction and project-based activity in one of the most popular subjects in Taiwan-- "Creative and Cultural Industry". The course covers Digital Media Design, Taiwanese Culture, Creative and Contemporary Art and Design, etc. This online study program will surely become a once-in-a-life-time experience for you. So, why not just give it a try, as it is designed to transform your life.

The Program Features

In this program, you will attend classes for six hours a day. Our curriculum is planned for learning creative and cultural industry knowledge by experience. You can work on your own creative and cultural industry product or project individually or in group. The product or project subject could be food, tea, or other cultural stories from each attendee's hometown. Teaching assistants are assigned to help you solve learning and technical problems to ensure you will have maximum learning outcome. After you have completed this program, you will be able to think critically, build self-confidence and develop better communication skills that will help you to achieve a successful career in the future.
